

CHALLENGING THE PERCEPTION OF WHAT
A BICYCLE CAN DO

yuba™

The All-Terrain Yuba Mundo is an affordable, sustainable, practical and fun alternative to your transportation needs.

MUNDO CARGO BICYCLE

Whether you need to lower your budget, increase your fitness level, or reduce your consumption of fossil fuels, **Cargo Bicycling** is the way to go. Take a positive step with the pick-up truck of bikes. Load up the Mundo for a superior solution towards improving life in your community as well as the world around us.

Bout'Chou

A safe way to transport children on the Mundo. Option to attach two child seats to carrier.

- for children 9-22 kg; 20-48 lbs
- grey, red

Bread Platform

Attaches to the headtube, another way to increase cargo capacity.

- holds up to 25 kg; 55 lbs.

Down Low Glow

More than a bike light, the Down Low Glow provides the "cool safety" experience customers have raved about.

- rechargeable
- Ice Blue, Envy Green, Plush Red

Go-Getter

Waterproof, padded cargo bag designed for the Mundo. Clips easily onto carrier.

- capacity: 85 liters
- shoulder strap included

Bi-Pod

This solid, two legged kickstand stabilizes your Mundo (or any other bike) while you load it up.

- black

Tie Down Straps

Take full advantage of the Mundo's loading capacity.

- 3 m; 9 ft with steel cam buckles
- blue

Dynamo Light System

Complete front and rear lighting system including:

- Toplight Halogen headlamp
- AXA HR dynamo
- all wiring and mounting pieces

Fenders

Eliminate tire splash on your feet, legs and cargo on wet days and add a more urban touch.

- Mundo hardware included
- black

Low Standover Height, One Size Fits All Frame

The whole family can ride the same bike to school, run errands, visit friends, or enjoy a sunset cruise.

Multipurpose Loading Platform

Great for boxes, child seats, tools, groceries, music equipment, suitcases, passengers, bread baskets. Right angles make it easy to customize.

Front Dynamo Mount

Side Platforms (1 on each side)

To carry what other bikes cannot: large boxes, hard cases, kayaks, surfboards, lumber. Doubles as a passenger foot rest.

Cargo Strength Parts

48-spoke rear wheel, 14mm solid axle, reinforced dropouts, steel tubing. Designed and tested for 250 kgs. SOLID!
